Connecting Employers and Jobseekers Through a Common Language – Skills

WHAT WORKKEYS® ASSESSMENTS SHOULD I TAKE AND HOW MUCH DOES IT COST??

TalentNEO recommends everyone start with the three that make up the skills score—Workplace Documents, Graphic Literacy and Applied Math. Currently TalentNEO has a grant that pays for your assessments. That means there's no cost to you!

HOW DO I SIGN UP??

The easiest way is to let the person you work with at your WorkKeys Assessment site know that you are interested in registering, and they can guide you through the process. (See the back of this page for a list of assessment sites.) Self-scheduling is also available at: www.neo.schedulenow.me.

WHAT SHOULD I BRING WITH ME ON TESTING DAY??

When you arrive, the proctor will check you in. Please bring a photo ID, social security number and verification that you have taken the WorkKeys practice assessment on ohiomeansjobs.com (print or screen shot your score report or sign in to ohiomeansjobs.com to verify your practice scores).
